

# Friday 13th January 2017

## Owls

Owls have settled into the New Year well.

We have also started our Healthy Living project, this includes walking on The King's school track, PE, yoga and rebound.

## Butterflies

There have been a few changes to our time table:

Monday	PE, massage, messy sensory play
Tuesday	Forest School
Wednesday	Rebound, cooking, community visits
Thursday	Swimming for group 1
Friday	Swimming for group 2

We will also be working outdoors experiencing 'weather', so please ensure that your child has a coat, hat, and gloves .

When offering messy sensory play we do have aprons in school, but please feel free to send in old shirts/T-shirts for your child to wear in addition to an apron.

## Ladybirds

Ladybirds class have settled back into school routine extremely well.

We are all looking forward to the theatre trip on Thursday 19th to see Aladdin.

## Kingfishers

Due to sickness we did not go out this week, but we will be out on Wednesday 18th during the morning. Wrap up warm.

We are looking forward to the Panto on 19th January.

Celebrations for Joshua who put his trunks on and got into the pool. We're all so proud of him.

## Bad Weather

If we experience bad weather and school is forced to close, parents/carers will receive a text message and a message will be posted on our website. Therefore it is important that school has up to date mobile numbers for parents/carers.

## Pupil Acceptable User Policy - Consultation

This new policy is out for consultation with staff, governors and parents.

The policy can be found on our website (select 'About Us' at the top of the home page, then 'School Policies'). If you would prefer a hard copy sending home, please contact school.

Please have a read through the policy, and if you notice any errors, or think something needs adding to it, please email [bijou.tooby@tettenhallwoodschoo.org.uk](mailto:bijou.tooby@tettenhallwoodschoo.org.uk), alternatively write on a hard copy and return it to school marked for Bijou's attention.

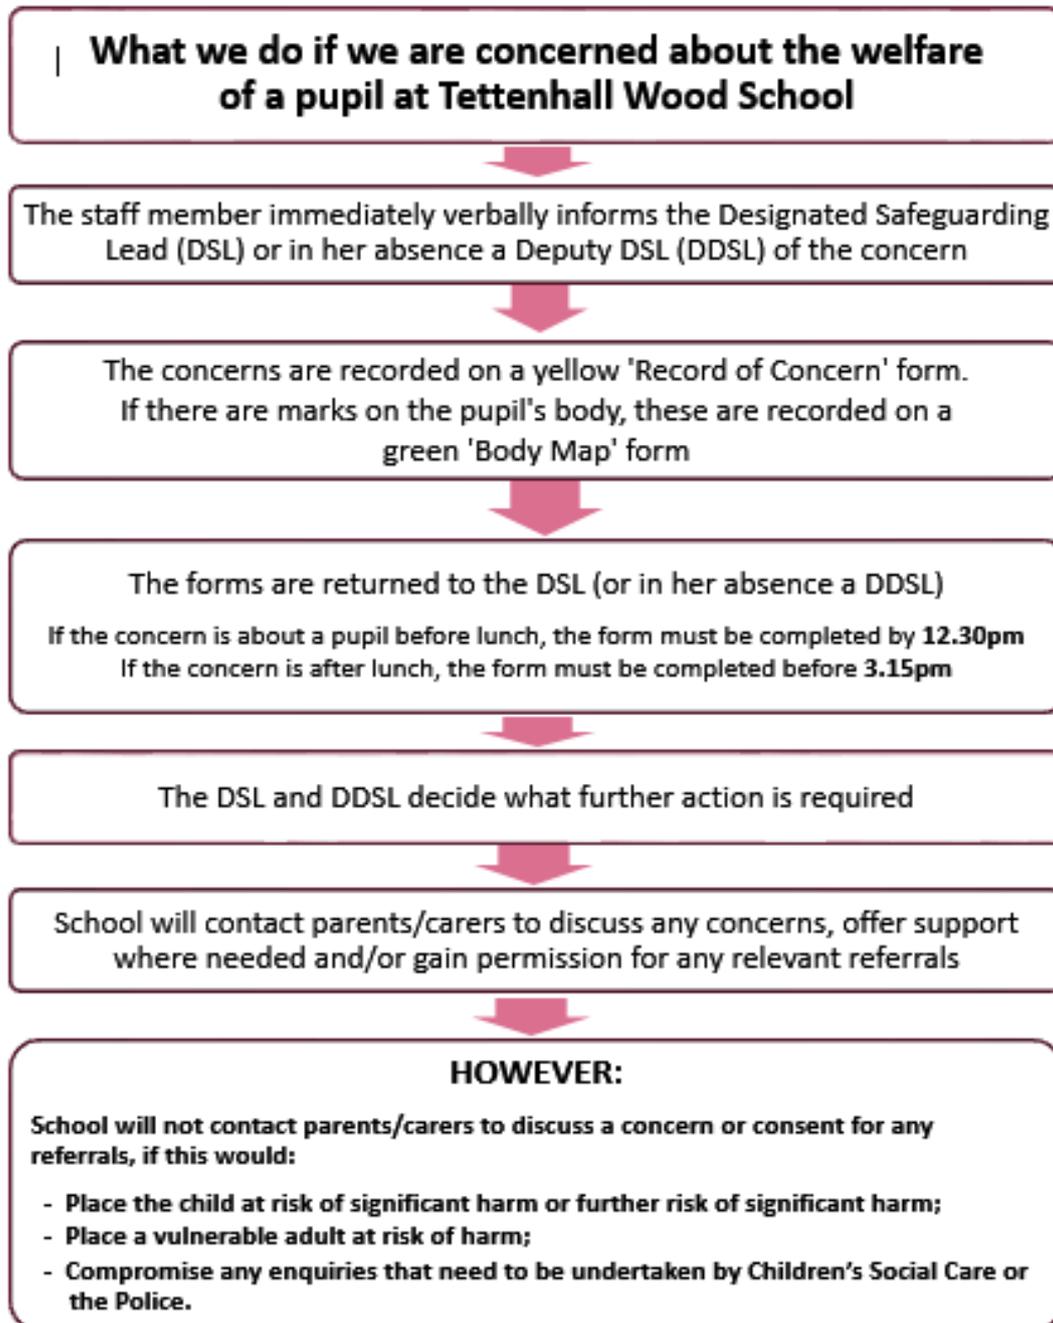

The deadline for feedback is Friday 27th January 2017

Tettenhall Wood School  
 Regis Road, Wolverhampton, WV6 8XF
