

Friday 11th January 2019

Welcome back! We hope you've had an enjoyable and restful holiday. Pupils have settled back in to school life very well.

At the next **Open Afternoon**, on **Tuesday 5th February (1:15pm-2:45pm)**, you will be invited to join your child in their classroom. We will also be offering you the chance to meet with your child's class teacher to discuss assessment and progress. Appointments will be available until 4:45pm.

Keep an eye out for letters home to book your appointment with the class teacher.

Online Safety

The internet is a wonderful thing, giving us access to so much information. Children can play, learn, create and connect with friends. However, the digital world is changing all the time, making it hard for parents to keep up and ensure their children are using their technology in the safest way.

Please come join us in school on **Friday 18th January, 9:30am-11:00am**, to get help and advice from the Learning Technology Team.

If your children have received any new technology over Christmas, you might want to bring them in to get advice about setting up parental controls.

Eagles

Eagles have come back after Christmas and we have been very busy.

We now go to College on Mondays instead of on Fridays. This term we are thinking about how to get to Wolvehampton by BUS.
