RAF help for TWS

We would like to acknowledge and thank the RAF Cosford apprentices, who came into school during the summer holiday, and also Squadron Leader Chris Wilson for planning their involvement.

Led by Flying Officer, Mike Rees, the 15 trainees spent 2 days in and around school providing help on the grounds and the school allotment. The amount of work the young men covered was tremendous and a great benefit to the school. They were certainly a credit to the RAF School of Technical Training and we wish them all success as they continue their aircraft engineering apprenticeships in Cosford.

Autumn Fayre - Saturday 29th September (1-3pm)

The PTFA are asking for any unwanted gifts (no jumble), items for the tombola, good quality toys, bric-a-brac, toiletries, bottles of wine, prizes for the raffle. Please send these in as soon as possible to Melanie. Thank you

Messages from Classes

Kingfishers have enjoyed working in Maple room this week where they have been taking charge of their own learning.

Please will parents label clothes and belongings. This will help us when supporting pupils to be independent.

Swallows have been very busy getting to know their new friends and learning lots of exciting independent skills. They have enjoyed taking part in peer massage and yoga.

Falcons are looking forward to getting back to rehearsals for Hamlet, which is on at The Grand Theatre on 12th November.

Eagles
no collage waiting to hear
from them for a start have
lots of work on drawing
waiting football!
bush weat!
