

Friday 19th May 2017

Butterflies

We have enjoyed participating in Science activities this week. We have made a solid from a liquid, have watched colours transfer through materials and have made lemon juice fizz.

Well done Butterflies!

Kingfishers

Thank you for coming to the Open Morning. We enjoyed making gloop in the Science experiments.

Today we visited Dolittles Pet and Aquatic Superstore to buy food for the rabbits and fish.

Sainsbury's Active Kids Vouchers

Please send in any Active Kids vouchers you may have at home or in your coat pockets before Friday 30th June 2017.

Thank you to everyone that has donated their vouchers to our school.

Owls

We had a great time taking part in a range of Science activities, including erupting apples and making lemonade.

Please see the reverse of this newsletter for our updated Safeguarding procedure

Safeguarding Procedure

What we do if we are concerned about the welfare of a pupil at Tettenhall Wood School

The staff member immediately verbally informs the Designated Safeguarding Lead (DSL) or in her absence a Deputy DSL (DDSL) of the concern

The concerns are recorded on a yellow 'Record of Concern' form.
If there are marks on the pupil's body, these are recorded on a green 'Body Map' form

The forms are returned to the DSL (or in her absence a DDSL)
If the concern is about a pupil before lunch, the form must be completed by **12.30pm**
If the concern is after lunch, the form must be completed before **3.15pm**

The DSL and DDSL decide what further action is required

School will contact parents/carers to discuss any concerns, offer support where needed and/or gain permission for any relevant referrals

HOWEVER:

School will not contact parents/carers to discuss a concern or consent for any referrals, if this would:

- Place the child at risk of significant harm or further risk of significant harm;
- Place a vulnerable adult at risk of harm;
- Compromise any enquiries that need to be undertaken by Children's Social Care or the Police.
