

## Open Afternoon - CANCELLED

There has been such a great uptake for appointments to see Class Teachers on **Tuesday 5th February**, that we have decided to cancel the Open Afternoon. This is to ensure a sufficient staff to pupil ratio in the classrooms.

This means that the drop in sessions that were scheduled for 1:15-2:45pm will not be going ahead.  
**The next Open event is Thursday 21st March, 10:00am-11:30am**

## School Closure in the Event of Adverse Weather

The health and safety of the pupils are the main consideration when deciding whether to close the school.

We will notify parents by:

- ◆ SMS text message from "Tettenhall"
- ◆ Facebook, Twitter and TWS website

Messages will be announced by Wolverhampton City Council by local radio stations and posted on:

- Facebook "Wolverhampton Today - School Closure"
- City of Wolverhampton Council's Twitter feed
- City of Wolverhampton Council's website

Parents can contact Pupil Support for information about their child's transport to and from school on 01902 554202

## Swallows

Swallows have been brushing their teeth in personal hygiene lessons.
