Ladybirds

Everyone in class has worked so hard and made so much progress this term. Class staff are really proud.

After the holidays we are learning all about dinosaurs! Could you please send us in some photos of when your child was a baby, toddler and now. We are learning about the passage of time and this would be a great way for the children to learn.

We hope you have an eggcellent Easter break and a cracking time together!

Best wishes from Amy, Heather, Jade, Gemma, James and Trina x
