

Date: Friday 9th September 2016

Dear Parents and Carers,

Welcome back to the new term and I hope you and your family have had a good summer break. We have had a lovely week in school and our children and young adults have all come back enthusiastic and happy – a great start to the term.

In an attempt to keep you all informed I will be sending a weekly newsletter home to remind you all of the week ahead. This week included with the newsletter is the whole school calendar for the year ahead. You have also received a number of letters for your attention over the week. These have included:

- The general consents – to be returned to school ASAP for our record updating
- The data collection sheet – to be returned to school ASAP for our record updating
- The educational visits consent letter – to be returned to school ASAP for our record updating
- After school club letter – to be returned to school ASAP should you require this service
- A medical information letter
- The milk and fruit letter

Next week you will have information from Melanie Heywood who is our new Family Liaison Officer. She will provide you with information about how she can support you as a family and the services she will offer. There will also be information sent out for parent training and workshops.

I do hope you find this weekly up to date useful to keep you as fully informed as possible.

Have a good weekend

Sarah Llewellyn
Head Teacher
