Dear Parents/Carers,

At Tettenhall Wood School we aim to make a healthy start to the new term.

We would like pupils to eat fruit at break times, we are happy to provide this and would be grateful if you would send in a voluntary contribution of £5.00. If your child will only eat a particular fruit you are welcome to send some in yourselves.

We are also encouraging pupils to drink only water, in school we have chilled water that is available to pupils at any time. We would therefore encourage you not to send squash or juice in

I hope you find these suggestions acceptable, if you have any concerns please feel free to contact me at school.

Yours sincerely

Sarah Llewellyn

Dear Parents/Carers

If you would like your child to receive School Milk this term, would you please let us have **£11.00** as soon as possible and return the form below. This will provide milk for your child for the Summer Term.

I have been advised that if your child is eligible for free school meals (Not Pilot Claims) then school milk will also be free. Even if your child does not eat school meals you may wish to make a claim as by registering you will help the funding of your child's school.

If you would like to make a claim please let me know.

Yours sincerely,

Sarah Llewellyn
